Subject Curriculum Intent: ‘Excellence in Enterprise’

The Enterprise curriculum encourages learners to develop their understanding and the practical skills associated with the work environment and the running of a small enterprise. The syllabus provides the knowledge associated with running a small enterprise and an opportunity for learners to apply this knowledge in a practical and engaging way when running their own enterprise project.

SIH Enterprise students will

- *understand what it means to be enterprising, and the skills required to be enterprising*
- *develop the ability to work in an enterprising and independent way*
- *develop and apply knowledge, understanding and skills to contemporary enterprise issues in a range of local, national and global contexts*
- *appreciate the roles and perspectives of a range of other people and organisations involved in enterprise and the importance of ethical considerations*
- *investigate the world of work and entrepreneurial organisations*
- *develop the ability to communicate effectively, in a variety of situations, using a range of appropriate techniques*
- *make effective use of relevant terms, concepts and methods when discussing enterprise and enterprising behaviour.*
