Subject Curriculum Intent: ‘Excellence in Travel & Tourism’

The Travel & Tourism curriculum enables learners to discover the nature of travel and tourism, developing awareness of sustainability, locally and around the world. Learners gain understanding of the importance of customers and of the marketing of travel and tourism destinations.

SIH Travel & Tourism students will learn to be:

- *confident, in understanding and communicating and explaining the nature, sustainability, management and marketing of travel and tourism*
- *responsible, for themselves, responsive to and respectful of others, through becoming aware of the importance of sustainability and of their own responsibility to the environment and to the future of communities*
- *reflective, as learners, by considering their approach to assessing the customer appeal, growth, management, impacts and sustainability of travel and tourism innovative, through the application of their travel and tourism learning in unfamiliar contexts, locally and in the wider world.*

The exploration of travel and tourism issues of today, including sustainability, as well as being ready to make a difference by developing their own personal interests and opinions and for possible future involvement in customer-focused employment or in further study.
