Subject Curriculum Intent: ‘Excellence in Art and Design’

The Art Curriculum promotes excellence, nurtures a sense of creativity and gives all learners at SIH the opportunity to express and develop themselves without limitations. Students will learn how to become inquisitive within their explorations and understand that the concept of ‘anything is possible’ is one of the cornerstones of successful learning within the department. It is the intent of the art curriculum to not only enhance the knowledge of the individual but to unlock the confidence and full potential of the learner through tailored schemes of work which are relevant, exciting and fun.

SIH Art and Design students learn to:

- Enhance critical thinking
- Develop innovation
- Self-competition
- Being able to give constructive criticism
- Builds resilience and grit
- Stimulates the development exploration
- Combats instinctive desire to be perfect the first time
- Fine tune skills and techniques in relation to the subject area
